

Terms and Conditions

Last updated: 23 August 2026

These Terms and Conditions ("Terms") govern your use of FindingSites.com ("FindingSites", "we", "us" or "our").

By using FindingSites.com, submitting a URL, creating an account or purchasing a subscription, you agree to these Terms.

1. About FindingSites.com

FindingSites.com is an online directory of websites and URLs.

The directory may contain:

- URLs submitted by users.
- URLs independently discovered by FindingSites.
- Publicly available information relating to websites.

A listing on FindingSites.com does not mean that FindingSites endorses, recommends, verifies or guarantees the website concerned.

2. Paid Listings

FindingSites may offer paid directory listings for **£2 per month**.

Unless otherwise stated at the time of purchase, the subscription:

- Is charged monthly.
- Renews automatically each month.
- Continues until cancelled.
- Provides the benefits associated with the relevant paid listing for as long as the subscription remains active and the listing complies with these Terms.

The applicable price will be shown before you complete the purchase.

3. Payments

Payments are processed through **Stripe**.

By purchasing a subscription, you authorise the applicable recurring payment through Stripe until the subscription is cancelled.

FindingSites does not ordinarily store complete payment card details.

4. Cancellation

You may cancel your subscription at any time.

Cancellation prevents future recurring charges. Unless applicable law requires otherwise, cancellation does not automatically provide a refund for a period that has already been paid for.

Any cancellation process provided through the website or payment system should be used where available.

Nothing in these Terms affects any statutory cancellation or refund rights you may have under applicable consumer law.

5. Refunds

Except where required by law, subscription payments are non-refundable once a billing period has begun.

Where a refund is legally required or where FindingSites chooses to provide one, the refund will generally be made through the original payment method.

6. Your Submitted URLs

If you submit a URL to FindingSites.com, you confirm that:

- You have the right or authority to submit the URL.

- The submission does not knowingly violate applicable law.
- The submission is not intended to facilitate fraud, phishing, malware distribution or other malicious activity.
- Information you provide to FindingSites is reasonably accurate.

Submitting a URL does not guarantee that it will be accepted or remain listed indefinitely.

7. Listing Decisions

FindingSites reserves the right to refuse, edit, suspend or remove a listing where we reasonably consider this necessary.

Reasons may include:

- The website appears to be malicious or unsafe.
- The website appears to facilitate illegal activity.
- The listing violates these Terms or the Community Guidelines.
- The information appears deceptive or misleading.
- The website is unavailable or repeatedly inaccessible.
- The listing creates a legal, security or operational concern.
- We otherwise reasonably determine that removal is appropriate.

We are not required to provide advance notice before removing a listing where immediate action is reasonably necessary.

8. Independently Discovered URLs

FindingSites may occasionally list URLs that we discover independently.

The owner or operator of an independently listed website does not need to become a customer to request removal.

Removal requests can be sent to:

CentrumDisce@gmail.com

We will consider reasonable removal requests and may request information sufficient to establish that the request is legitimate.

9. Third-Party Websites

FindingSites is a directory and does not control third-party websites listed in the directory.

We do not guarantee that any listed website:

We may suspend or terminate access where we reasonably believe these Terms have been breached.

11. Availability

We aim to keep FindingSites.com available, but we do not guarantee uninterrupted or error-free operation.

The website may occasionally be unavailable because of maintenance, technical problems, hosting problems, security incidents or circumstances outside our reasonable control.

12. Intellectual Property

Unless otherwise stated, the FindingSites.com website, branding, design, text and original directory content are owned by or licensed to FindingSites.

You may access and use the directory for normal personal or business purposes in accordance with these Terms.

You must not copy, reproduce, republish or commercially exploit substantial portions of the FindingSites directory without permission.

14. Account Suspension or Termination

We may suspend or terminate an account or listing if we reasonably believe that:

- These Terms have been breached.
- The account is being used fraudulently.
- The service is being abused.
- Continued access presents a security, legal or operational risk.

Where appropriate, we may provide an explanation.

Termination does not remove any rights or obligations that have accrued before termination.

15. Changes to FindingSites

We may change, suspend or discontinue parts of FindingSites from time to time.

We may also modify these Terms where reasonably necessary.

The current version will be published on FindingSites.com.
